PROFILE

Recent graduate and teaching assistant at Le Wagon's coding bootcamp. Now a Junior Full Stack Developer, I look to obtain a position in a challenging and creative environment, and to continue to develop my technical skills in a talented team.

TECHNICAL SKILLS

- Ruby
- Rails
- jQuery
- HTML5
- CSS/Sass
- Javascript
- Figma
- SQL
- Github
- Git
- Bootstrap
- Adobe Photoshop
- Heroku

LANGUAGE SKILLS

- English (native)
- French (Fluent)

WEB DEVELOPMENT PROJECTS

Hop Desk
December 2020

- I successfully pitched this project and in a team of 3, designed and implemented this web app which connects people with local workspaces. Built using Figma, JS, Rails, Cloudinary, HTML5, CSS, Github and Heroku.

Art Swap
November 2020

- An AirBnb-like site to rent artworks, designed and built in a team of 3.

The Cocktail Shop
November 2020

- Ruby on Rails coding project built during Le Wagon bootcamp
